

# IBM CLOUD CREATION

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows the URL `cloud.ibm.com`. The dashboard header includes the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and the user profile (Deekshitha AC19UIT0...). The main content area is titled "Dashboard" and features a "For you" section with six recommended actions:

- Build**: Explore IBM Cloud with this selection of easy starter tutorials and services.
- Explore IBM Cloud Shell**: Try a command-driven approach for creating, developing, and deploying a web project. (Getting started, 2 min)
- Build a web app with Watson Speech to Text**: Deploy a conversational interface compatible with any application, device, or channel. (Getting started, 15 min)
- Get Started with Watson Studio**: Get started with using AI and Cloud Object Storage in 15 minutes. (Popular, 2 hr)
- Build a Virtual Private Cloud (VPC)**: Upgrade to a paid account to create your own protected space in the IBM Cloud. (Getting started, 7 min)
- Get started with Watson Discovery**: Get up to speed on Watson Discovery with step-by-step tutorials, deep-dive videos, and complete examples of working code. (Recommended, 2 hr)

Below the "For you" section, there are four more widgets:

- News**: View all. Includes articles like "WebSphere Application Server Support Restatement" and "IBM Adds Lifecycle Services to Enterprise Networking and Deepens Strategic Partnership with Cisco".
- Recent support cases**: View all.
- Planned maintenance**: View all.
- IBM Cloud status**: View all. Includes a world map showing service status.

The bottom of the image shows a Windows taskbar with various application icons, a search bar, and system tray information including the date (13-11-2022) and time (17:49).
